The foreign exchange
Student program has
been a tradition at
Washington for three years.
The students here and abroad,
have acquired a new under-
standing of the relationship
between foreign countries, and
of their customs. This program
has created good-will and last-
ing friendships between the U.S.
and other participating countries.
With this in mind and in
hope of world wide peace, this
book is dedicated to the endur-
ance of the Foreign Exchange
Student Program.

Classes

"Our aim is not the exclusive happiness of any one class of citizens."
Plato

Four short years ago you entered high school as freshmen. Now you are in the last days of your senior year! How short the years have been!

Now you have reached the point where some of you will take your place in the community, in the industry or occupation you have chosen for your life work. Others will enter institutions of higher learning, there to fit themselves for their life profession. It is my sincere hope that you have taken advantage of educational opportunities afforded you; that you will benefit from these and find your proper place in our modern world.

May every honest ambition of each member of the class of 1961 find fulfillment.

Sincerely yours,
R. L. Bird

Husky Awards

Ten of our classmates have proved to be the best all around students in their four years at Washington by their participation in activities as well as their ability to get good grades.

Second Annual Football Queen

Pat Prior, Princess

Leona Bohannon, Queen

Shirley Sousa, Princess

"Many times during the contest I would open my 1960 annual and look with respect at the Football Queen and picture myself in her place. It was a dream come true and a memory I shall always treasure.

"May I say how honored and proud I am to be the Football Queen for such a wonderful school and for my fellow classmates. I hope I have succeeded in the things my crown represents.

"Also, I'd like to thank Sharon Barraclough, my manager, whom I owe so much."

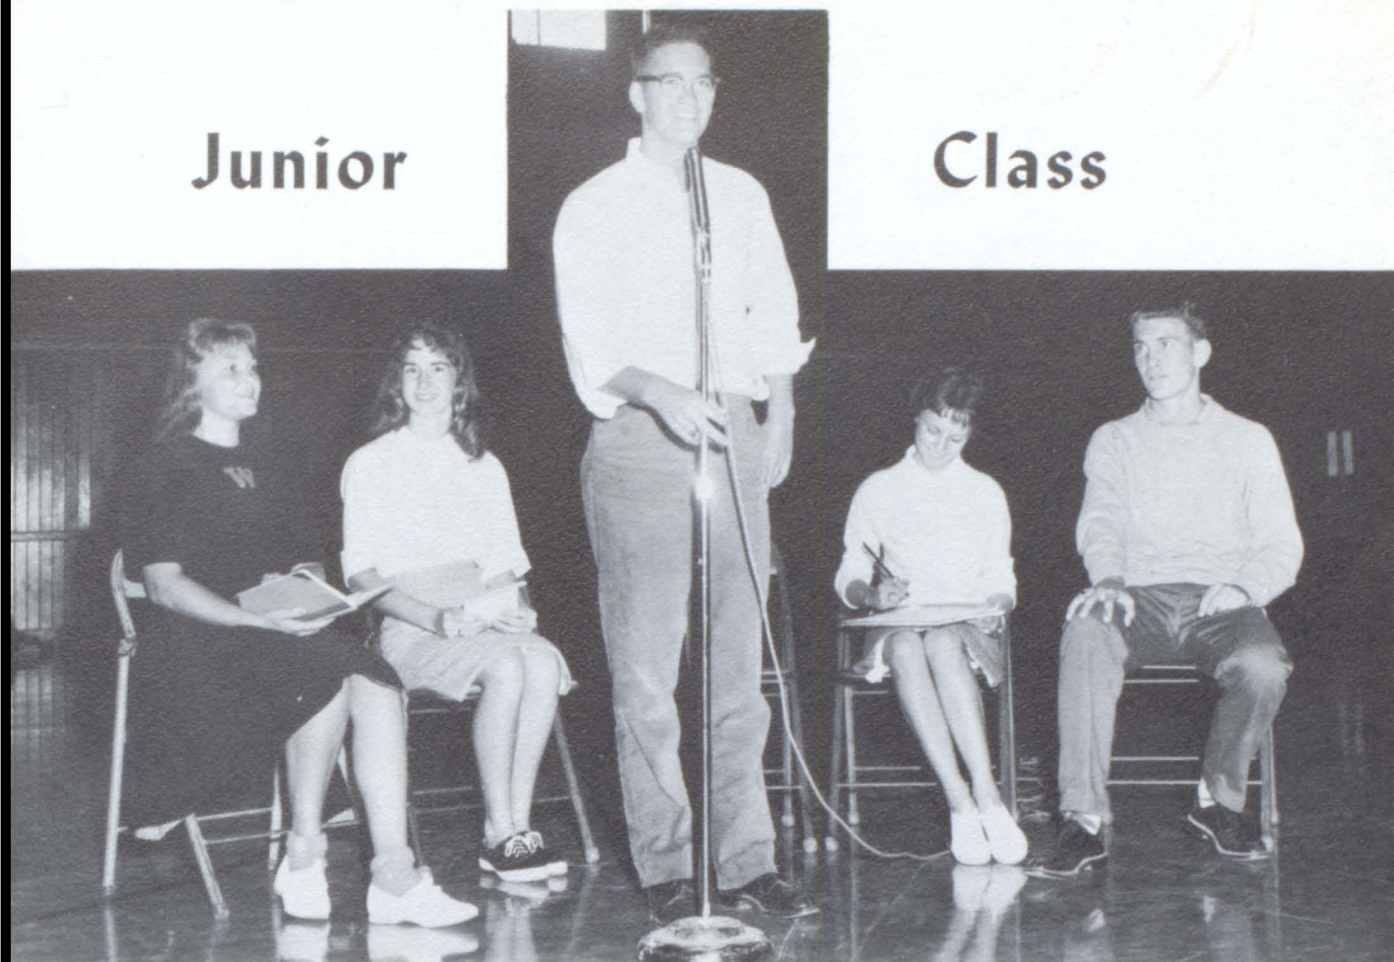

Leona Bohannon

The Senior Class and all of the girls would like to thank the P.T.A. for all their help in the contest. The Queen will be able to keep her crown until after the Senior Ball, and she also received luggage and charms. The Senior Class also benefited from the contest by \$400. Again we give our thanks to the P.T.A. and all the girls who worked so hard.

Junior

Class

Leading the Junior Class in their activities this year were: Carol Onstad, treasurer; Chris Staley, class representative to Student Council; Jeff Logan, president; Renee Brantley, secretary; and Dave Carter, vice president.

Welcome Irvington High

Several hundred Huskies will be growing sea legs next year as they become the Irvington Vikings, first students in Washington Union High School District's third school. New surroundings, many new faces, and the start of many new traditions will greet them in September. Huskies old, new and future look forward to many pleasant associations with their new "cousins," and wish them smooth sailing.

Mr. Clyde Voorhees, principal

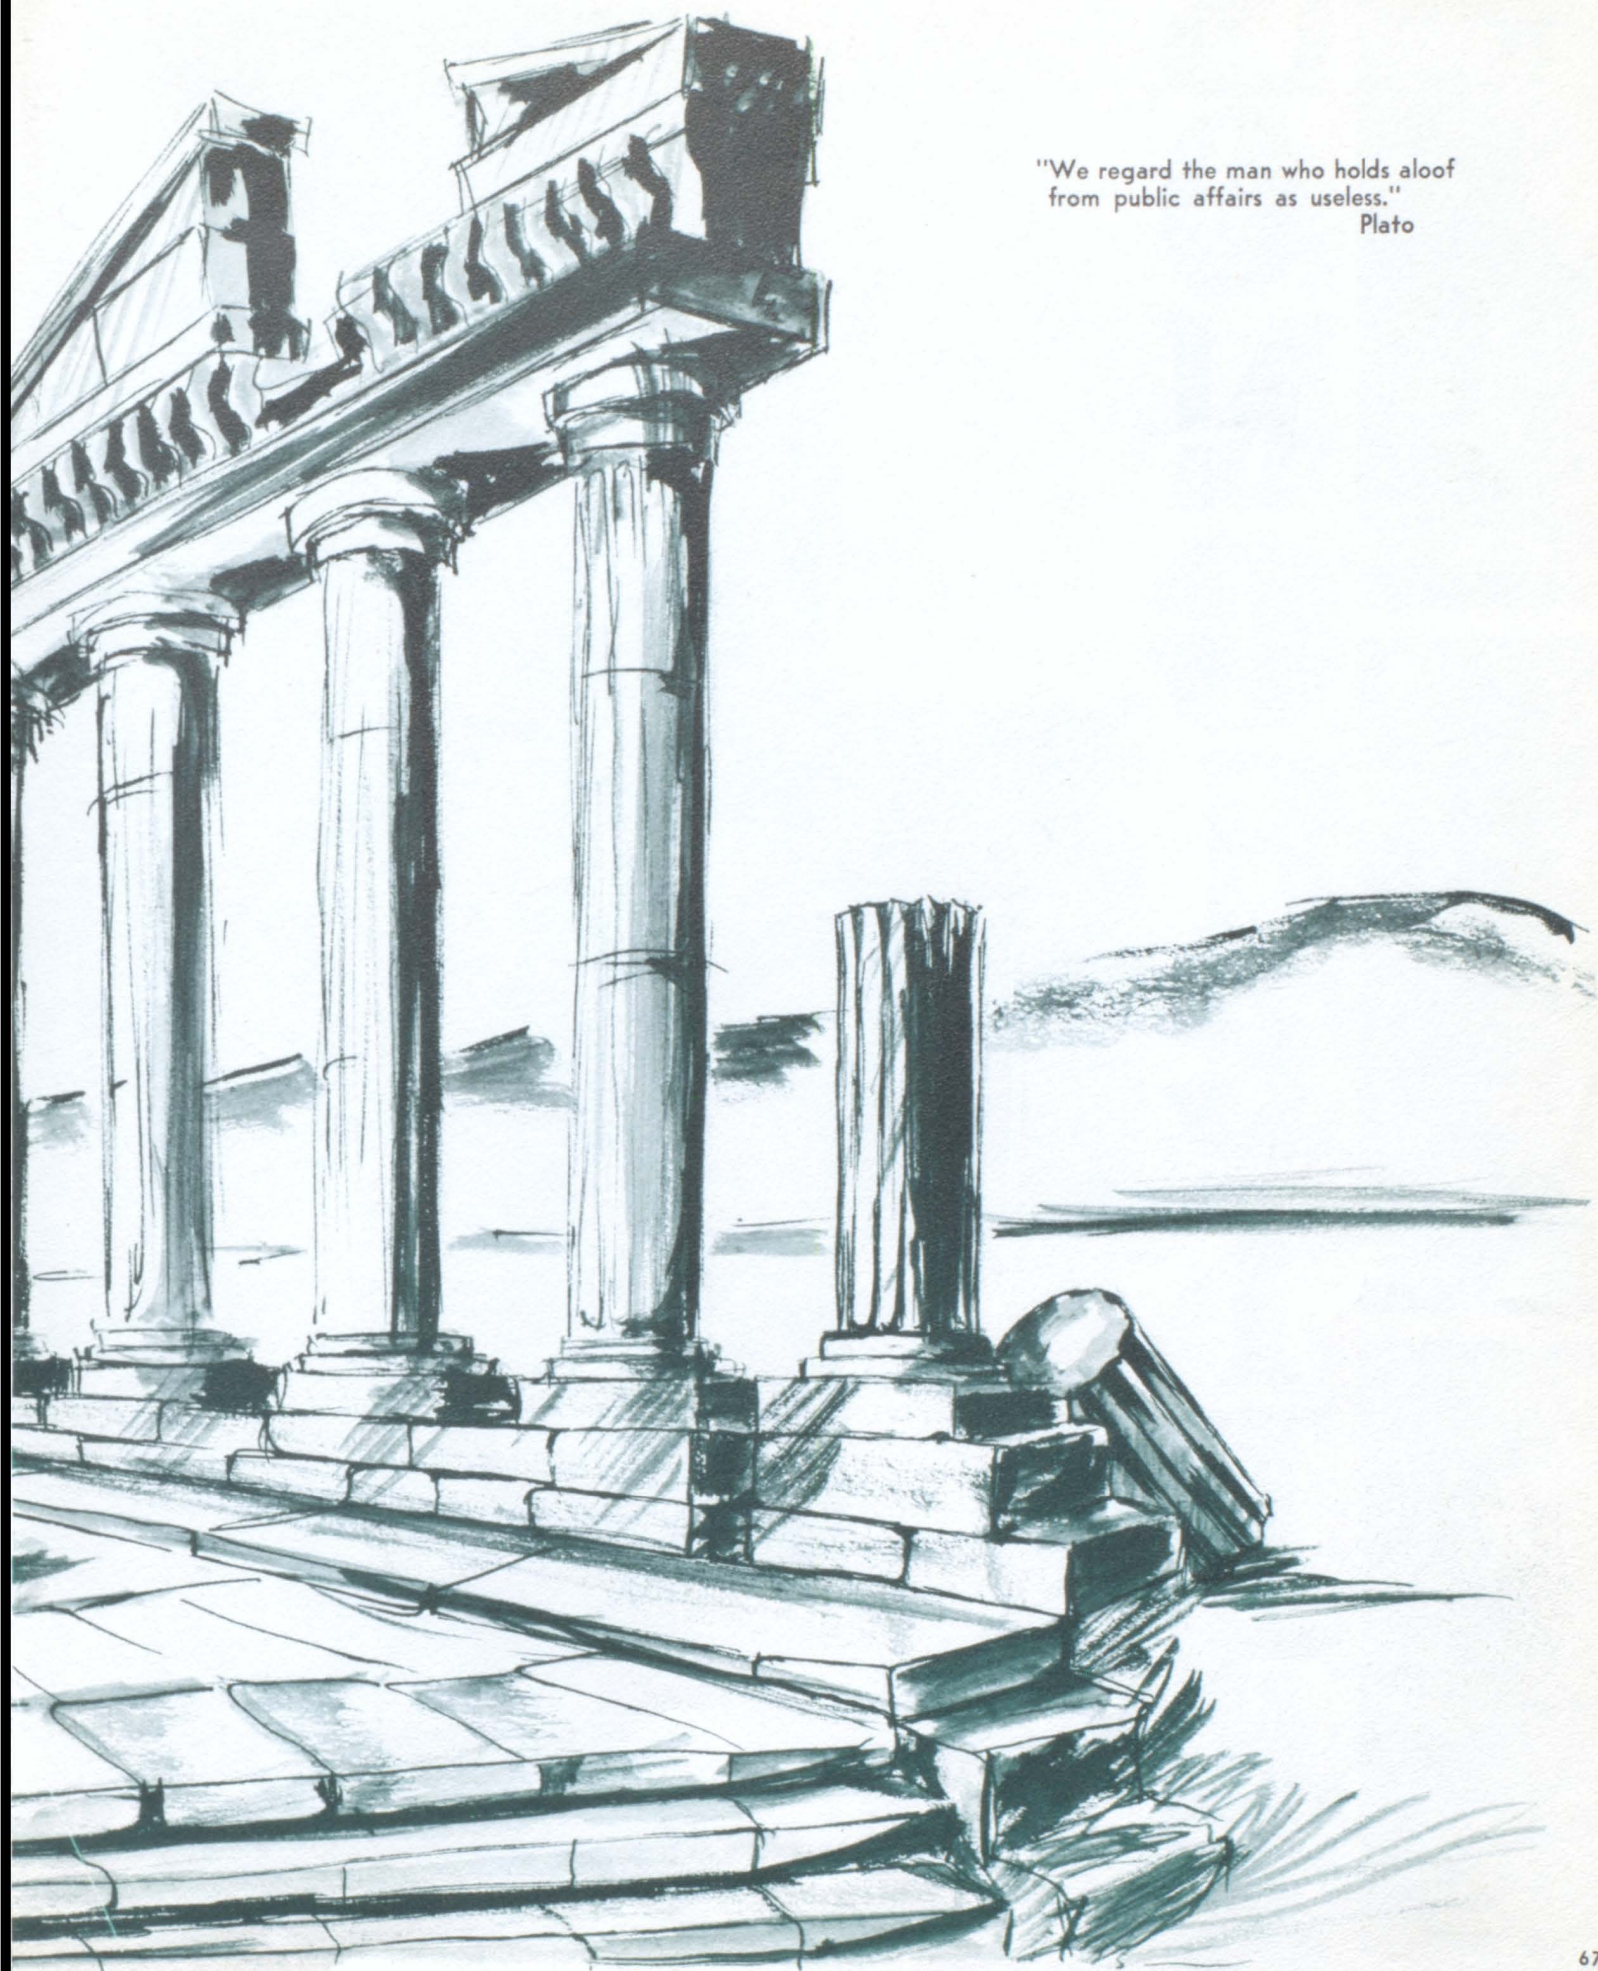

Working on Irvington High's steering committee laying plans for the school's opening were: T. Ford, C. English, Chairman J. Lee, R. Colburn, J. Shelley, P. Anderson, M. Evans, P. Peterson and J. Mee.

Marita, the first on the left, is celebrating the Carnival of 1960 with a group of her friends.

Marita, her father, mother, grandmother, and sister are sitting on the terrace of their home overlooking Marita's hometown, Heraklion.

Washington High's exchange student program, sponsored by the American Field Service and designed to promote better relations among all nations, is now in its fourth year. This year's emissary of good will from Washington High School was Sharon Bromley, who spent last summer living with a Brazilian family and attending school there.

In exchange Washington is privileged to have Marita Gabrilaki, a senior from Heraklion, Greece. Marita is staying at the home of Dr. Richard C. Purdy.

Marita and her gymnastics class pose for a picture before their last performance of the year.

To the Associated Students at Washington High:
On behalf of the Yell Leaders, Song Girls, Majorettes and Boosters, I would like to thank you for the tremendous support you have given our teams this year. Your enthusiastic spirit has made our school and rooting sections unequalled in many respects.

It has been a great honor and privilege to have served you as Head Yell Leader this year, for it will be an experience I will never forget.

May I again sincerely say,
"Thank you all."

Future Farmers of America

Winning honors against top chapters in northern California was no novelty to Washington's group. The parliamentary procedure team earned its way through eliminations to the state finals, and Jim McKiernan pulled in a second place in the Tri-Regional finals of the state public speaking contest. And to show that not only talkers take laurels, Jerry Alonzo (pictured far left) captured a certificate of award for skill in driving a tractor.

Few campus organizations keep as active as the Future Farmers, under the guidance of Mr. Richard Mosbarger and Mr. Bill Raap. As if entering state-wide competition wasn't enough, members also get into the field and shop, as shown in these pictures, to carry out the learning that has been covered in the classroom. FFA'ers operate the student farm, also, which is located on the south side of the school grounds.

This has been a very successful season for the varsity football team. The Huskies finished in fourth place, out of 8 teams, with a 4 win, 3 loss, 1 tie record.

Big moments during the season were when the Huskies brought the Pop Gould Trophy to Washington for the first time by defeating James Logan 20-0. Another big moment came when the Huskies broke a scoring record that was 21 years old by trouncing the Samuel Ayer Trojans 47-0, who just a year ago trounced the orange and black 33-14.

Tony Oliveira
Senior — Co-Captain

Coach Jim Ingram and Assistant Jim Byers led the Huskies to their second best season in eight years. Our team was bettered only by the 1958 champs, who took two more games than this year's Huskies.

Ford and Oliveira were co-captains of this year's team. They were chosen by their team mates for their outstanding sportsmanship.

Those boys who were selected for all league were Dave Wolf-smith, and Tony Oliveira on the offensive team, and Gary Martin on the defensive team.

This year's J. V.'s with rookie coaches Bill Gonzales and Stan Talent leading the way, carried through undefeated when they took five in a row.

The biggest victory of the season came on a 60-0 romp of Andrew Hill J. V.'s. The league does not recognize J. V. football teams since four of the schools do not carry J. V. squads, so the Huskies couldn't claim an "official" title.

Max Cowan, Dick Treglown and Lenny Lemas furnished most of the excitement, and all seem destined for the varsity next year.

CHAMPIONS

This year we are very proud of the accomplishments of our basketball team. Rated as the number one team in the E.S.C.V.A.L., we lived up to expectations and came out league champions. In the Sunnyvale Invitational Christmas Tournament we placed third over many top teams. In the Peninsula Tournament of Champions we were rated to take fourth place, but to the amazement of everyone we topped Carmel and Bishop O'Dowd, two champion teams, and placed second, defeated only by Capachino in the last few seconds of the game by a score of 42 to 45.

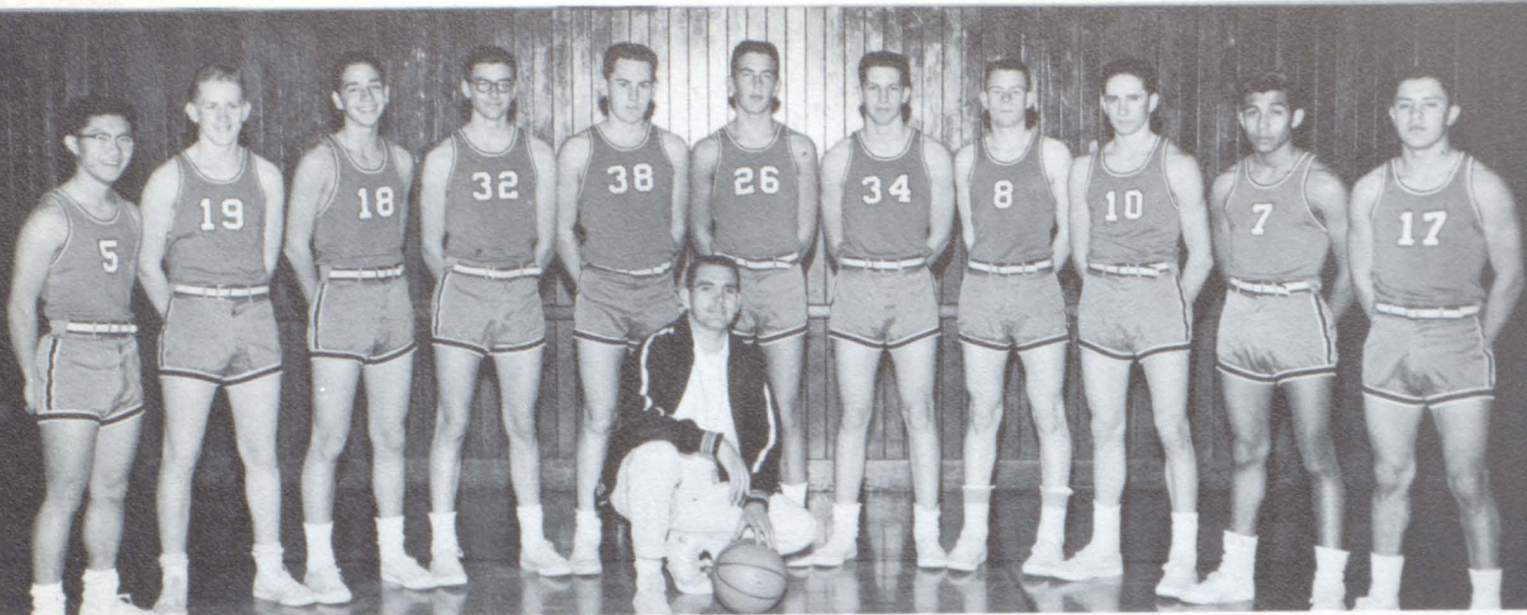

Although this was a team effort, there were many individual honors and records set. Ken Schramm was voted team captain and made All League second team, and the All-Star team at the Peninsula Tournament. Jack Gleason was a solid performer all season. Many honors were bestowed upon him. He was voted most valuable player by his teammates. He made the All-Star teams of the E.S.C.V.A.L., the Sunnyvale Tournament and the Peninsula Tournament. Jack made the All-Central Coast team also. Roger Knobles and Bill Treglown were voted most-improved and most inspirational players, respectively, on the Husky varsity. Tom Churka led the team in assists (69) which was a new school record. Tom also tied Ken Schramm for recoveries (60).

The Husky varsity of '60-'61 set many team records. Some of these were: defense, 36.4; season's record of 20 wins and 5 losses; 14-2 league record; 7 consecutive wins; 442 team field goals; 42% team field goal percentage; team free throws, 309; team free throw percentage of 63%.

Washington's B team finished second in the league with a 14-win, 2-loss record. Outstanding season play gave our Puppies a 20-win, 3-loss record.

The defensive record held opponents to an average of 25 points a game. Jack Miller helped to make this possible by setting a record of 77 recoveries in one season.

Doug Dettlefs, who was team captain for the season, also made the second all-league team. Jack Miller, the most inspirational player, made the second all-league team, too. Those who received honorable mention for all league were: Joe Hernandez, Gregory Watson and Ron Dunlap.

The junior varsity team is the one that works the most for the least credit. These are the boys that practice with the varsity and help to get them ready for their games. They also substitute for absent players. Judging from the results of our varsity team, the junior varsity has done its job very well.

Varsity Track

R. Barnes, E. Beck, R. Laubsch

This year's varsity track team may be the strongest in the school's history, with two league champions returning.

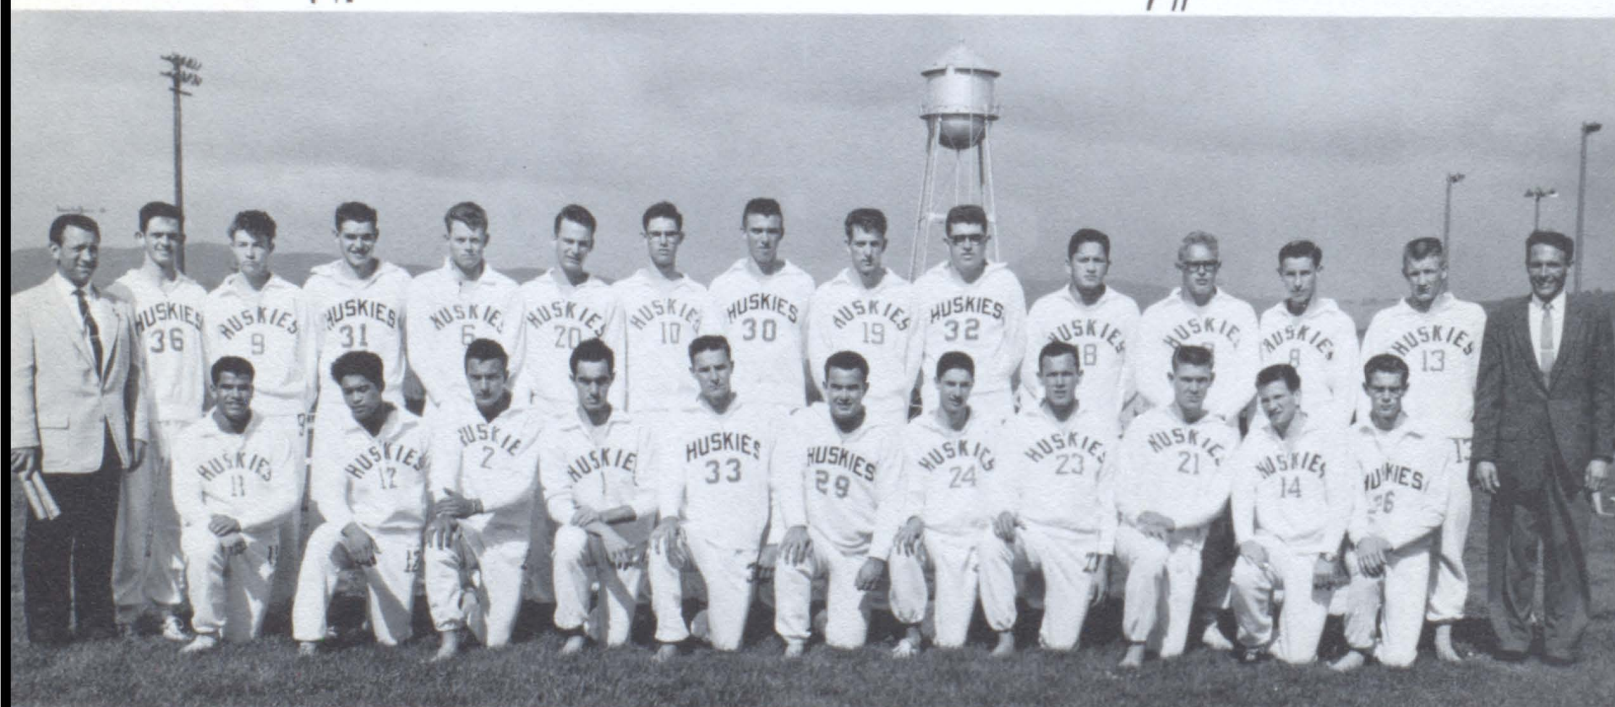

Russ Pierce and Dave Carter are the top returning men on the cinder squad. Pierce is league champion in the 100- and the 200-yard dashes. He is also league champion in the hop-step-jump, and finished fourth in the nation in this event. Carter, the league champion in the mile, is looking forward to new heights this year, as he hopes to become one of the best in the state in this event.

Jack Parson, who finished second in the league last year in the 440, seems almost certain to be league champion in this event next year.

Ernest Beck and Rich Laubsch also have a real good chance of becoming league champions in their events. Beck high jumps while Laubsch takes to the pole vault.

Track

The B track team seems title bound with a number of returning lettermen. Joe Hernandez has already topped the school 70-yard high hurdle record and it looks as though he may be in good shape for the league crown.

Distance men Frank Lynch, Dale Amaral and Chester Lloyd will help greatly, while Larry Fudenna will handle the sprints and broad jump.

The C and D track teams have high hopes of having a fine season this year with the help of sprinter Larry Nakanishi and distance man Jim Ortiz.

The D's have Jim Johnston, also, who may prove to be a highly capable prospect.

Cross Country

This year's varsity cross country team is the finest in the school's history. No other team in school could claim prior to this year a North Coast Section champion. This year's hardly-rated varsity team came through with an unprecedented upset victory over Clayton Valley to score a stunning victory for the NCS title.

Their performance literally clobbered the NCS team record for the Stanford 2-mile course with a winning time of 49:26.0. This is an average of 9:53.2 per member for two miles for the first five runners, an outstanding accomplishment.

Four of the seven team members bettered last year's school record of 10:05.6. The team had one of the best performances on the track of any team in the nation. They established a new school record of 51:09.1 for a five man team.

Other victories this year included league and NCS group wins and new

records in both. Rounding out the team are Frank Lynch, junior, 10:04; John Contreras, junior, 10:08; Bob Broughton, senior, 10:28; and Bruce Morse, sophomore, 10:31.

This year's freshman team is the finest in the school's history also. They established a new school record of 55:13 in winning the league this year. Outstanding runners besides Ortegón are Ron Williams, Paul Heslep, Ron Beaty and Mike Dawson.

The sophomores, led by sophomore-captain Bruce Morse, finished second in the league to Samuel Ayer.

The junior varsity finished first in the league with George Price establishing a new school record of 10:51.

Team captain for the season was John Nelson, an outstanding guard.

FROSH - SOPH SWIMMING

The Fresh-Soph swimming team will be looking to defend their league title this year. The Huskies have always been known as one of the major powers of the E.S.C.V.A.L. in swimming, and the Frosh-Soph Mermen, the future varsity men, could be the making of future varsity champions. There is also good reason to believe that the Frosh-Soph swimming championship will stay right here at Washington this year.

Outstanding swimmers are: John Bensen, Tom Penner, Allen Logan, Richard Trout and Roger Buehler.

The swimming team, which is the East S.C.V.A.L. champion, looks just as strong this year. Coach Walton's corps will be looking toward a very successful season.

Top returnee will be league champion Bill Parker who holds the gold medal for the 100 yard butterfly. Ed Gibson is also a top swimmer and may be heading to a league title.

Jeff Logan, Ray Arveson, Ed Hughes and George Theresa are others who have returned to help the swimming team to another victory.

This year's Frosh-Soph baseball team looks to be in good shape as far as team leadership and spirit goes. A new baseball coach is Jim Ingram who should be a spark to the team. ALMA MATER

To Thee our alma mater
Our thoughts will e'er turn back
The rally round the banner
The orange and the black

The light of truth and knowledge
Forever will prevail
O Washington we love thee
All Hail! All Hail!

FIGHT SONG

Heaven help the foes of Washington
They're trembling at the feet of mighty
Washington

The boys are there with bells,
Their fighting blood excells
It's harder to push them over the line
Than pass the Dardenells
Victory the cry of Washington
Leather lungs together with a
Rah! Rah! Rah!
And o'er the land our joyous band
Will sing the glory of Washington forever.
